

Dale Stroschein

“Captain Dale Stroschein has been guiding the waters of Green Bay and the Door Peninsula for over 30 years. His unparalleled experience and enthusiasm for the sport of fishing is second to none. Much a perfectionist, Dale's attention to small details has helped him to become the successful angler he is today. 15 years on the Walleye Tournament circuit and his induction into the National Freshwater Fishing Hall of Fame put him at the very top tier of professional fishing guides. The future is exciting for Captain Dale as he is working on building his Wacky Walleye Elite Guiding team by currently mentoring two young individuals (Wacky Walleye Elite Guide Team) by helping them build their own legacy as professional fishermen.”
