

Pat Harrison

Bio.

Professional Fisherman and owner of Pat Harrison Outdoors and Pat Harrison Outdoors - Fishing Adventures. I have fished for as long as I can remember as a kid my Brother Barry would take me fishing as I grew older I fished by myself and on trips with my brothers and friends. Fishing has opened many doors for me over the years.

At 45 years old I decided to get my first guides license for inland waters in Illinois about 5 years later I decided to add Wisconsin. I guided part time for about 12 years and also started to fish the Chicago River to learn it as I wanted to start a Guide Business there. 5 years ago I took classes to become a U.S.C.G. Approved for hire Captain 6 Pac license.

I have been guiding the Chicago River ever since and have had Clients out from all over the Country and the World. 30 Years ago my Brother and I Bass and Walleye fished in local tournaments our team name "Chasin A Dream Fishin Team" now I'm living the Dream.

I have met 100's of Anglers that have become friends and I am always making new ones. I am Proud to be in a sport where from 3 to 93 you can still Enjoy it.
